## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-91730; File No. SR-NYSE-2021-10]

### Self-Regulatory Organizations; NYSE National, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending NYSE National, Inc.'s Price List

April 29, 2021.

Pursuant to Section 19(b)(1) <sup>1</sup> of the Securities Exchange Act of 1934 (the "Act") <sup>2</sup> and Rule 19b-4 thereunder, <sup>3</sup> notice is hereby given that on April 16, 2021, NYSE National, Inc. ("NYSE National" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Exchange's Price List regarding colocation services and fees to add further specificity as to how monthly fees for dedicated cabinets are calculated. The proposed rule change is available on the Exchange's website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below,

of the most significant parts of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend its Price List regarding colocation services and fees <sup>4</sup> to add further specificity as to how monthly fees for dedicated cabinets are calculated. The proposed change is not substantive and would not change the amount or structure of the fees.

The Exchange offers Users <sup>5</sup> dedicated and partial cabinets to house their servers and other equipment.<sup>6</sup> Each dedicated cabinet has a standard power allocation of either 4 kilowatts ("kW") or 8 kW, but additional power can be added if the User requests.<sup>7</sup> Users may request that such additional power be allocated to a dedicated cabinet when it is first set up or later.

A User pays a monthly fee based on the power allocated to its dedicated cabinets. As previously indicated,<sup>8</sup> the tiered fee is based on the total kW allocated to all of a User's dedicated cabinets, not the kW allocated to an individual dedicated cabinet. For example, a User that has two dedicated cabinets with a total power allocation of 12 kW has a monthly charge of \$1,200 per kW for the first eight kW and \$1,050 per kW for the next four kW (between 9 kW and 12 kW), for a total of \$13,800,

<sup>4</sup> The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission ("Commission") in 2018. See Securities Exchange Act Release No. 83351 (May 31, 2018), 83 FR 26314 (June 6, 2018) (SR-NYSE-2018-07). The Exchange is an indirect subsidiary of Intercontinental Exchange, Inc. ("ICE"). Through its ICE Data Services business, ICE operates a data center in Mahwah, New Jersey, from which the Exchange provides co-location services to Users.

<sup>5</sup> For purposes of the Exchange's co-location services, a "User" means any market participant that requests to receive co-location services directly from the Exchange. See *id.*, at note 9. As specified in the Price List, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange's affiliates New York Stock Exchange LLC, NYSE American LLC, NYSE Arca, Inc., and NYSE Chicago, Inc. (together, the "Affiliate SROs"). Each Affiliate SRO has submitted substantially the same proposed rule change to propose the changes described herein. See SR-NYSE-2021-26, SR-NYSEAMER-2021-22, SR-NYSEArca-2021-26, and SR-NYSECHX-2021-08.

<sup>6</sup> See 83 FR 26314, *supra* note 4.

<sup>7</sup> Presently, the maximum amount of power that can be allocated to one dedicated cabinet is 15 kW.

<sup>8</sup> See Securities Exchange Act Release No. 65237 (August 31, 2011), 76 FR 55432 (September 7, 2011) (SR-NYSE-2011-46).
